VOLUNTEERS HELPING CHILDREN FIND FOREVER HOMES

MISSION: Northeast Ohio Adoption Services provides foster care and adoption services to teens and school-age children in the child welfare system by recruiting, preparing, and supporting specialized families.

VISION: Northeast Ohio Adoption Services will be recognized as the pre-eminent adoption resource for children, families, and Ohio's child welfare agencies. We envision the day when there is a life-long family for every child.

CORE VALUES: At NOAS, we thrive on challenge. We expect high performance. We operate with a sense of urgency because children cannot wait and families should not have to.
