HOLIDAYS ARE SO IMPORTANT TO FORMER & CURRENT FOSTER YOUTH.

Sadly, many of these youth, including those in group homes and those who have aged out of the system, don't receive gifts or celebrations during this time. For them, Christmas can remind them that they don't have a permanent family.

They are waiting—waiting for a fresh start, for love, safety, food, clothing, shelter, and maybe a special gift. **Most of all, they want to know that they matter.**

This holiday season, let's come together to show them that they are important. Your kindness can help bring joy and connection to these young people who deserve so much.
