CELEBRATING NATIONAL ADOPTION MONTH

Make a Difference in a Child's Life!

November is **National Adoption Month**, a time to honor families formed through adoption and foster-to-adopt—and to shine a light on the many children still waiting for a loving, safe, and stable home.

At **NOAS**, we're committed to helping children of all ages find permanent families while providing the support and resources they need to thrive. This month, we're raising awareness about the unique needs of youth in foster care and advocating for lifelong connections that give every child love, security, and a true sense of belonging.

The need for foster and adoptive families in **Northeast Ohio** is urgent—and you can help. Start your foster-to-adopt journey with NOAS and make a lasting impact on a child's life.
