SUPPORTING LIVES

One Training At A Time

As a foster care agency dedicated to supporting vulnerable youth and families, NOAS is committed to raising awareness and promoting mental well-being.

In honor of **Suicide Prevention Month**, NOAS staff **Chrishyra Whitfield** and **Simone Gant** completed the **QPR (Question, Persuade, Refer) Gatekeeper Instructor Certification**. They're now ready to **train others to recognize and respond to individuals in crisis**, helping save lives across our community.

REAL VOICES, REAL IMPACT:

Foster Youth and Young Adults on NOAS Staff

The feedback was gathered directly from the young adults and foster youth we serve, offering honest insight into their experiences with NOAS staff and the support they receive. Their words remind us why we do what we do. This month, we're spotlighting two team members who truly stood out in the eyes of those we serve.

EXPANDING OUR MISSION

Through Community Connections

We're also inviting others to **join our Team Kydz Volunteer Group** — a passionate network helping to raise awareness through events, outreach, and advocacy. **It's a powerful way to get involved and make a lasting impact.**
